

| Table 9. Cultural material recovered from shovel test 3, zone 3, Eden Street Trench<br>(Provenience Number EST 11: Accession Number 96-182-9) |               |   |       |
|---|---------------|---|-------|
| Material Class  | Type          | Attributes  | Count |
| ceramic   | earthenware   | unglazed or spalled glaze                           | 2     |
|   | delftware     | very light blue to white glaze, undecorated rim     | 1     |
|   | redware       | black lead-glazed                                   | 2     |
|   |               | lead-glazed   | 1     |
|   | stoneware     | brown salt-glazed                                   | 2     |
|   | creamware     | undecorated   | 30    |
|   | pearlware     | undecorated   | 40    |
|   |               | brown and green hand-painted                        | 3     |
|   |               | brown transfer-printed                              | 3     |
|   |               | blue shell edged                                    | 5     |
|   |               | undecorated edgeware                                | 7     |
|   | white granite | undecorated rim                                     | 1     |
|   | porcelain     | undecorated   | 1     |
|   | indeterminate |   | 5     |
| glass   | wine bottle   | dark olive-green                                    | 9     |
|   | vial          | aqua  | 4     |
|   |               | colorless   | 5     |
|   | goblet        | folded base   | 1     |
|   | indeterminate | colorless, round, 1¾-inch diameter, ground edge     | 1     |
| metal   | ferrous       | indeterminate fragment                              | 10    |
| faunal  | bone          | burned  | 1     |
|   |               | indeterminate fragment                              | 28    |
|   |               | rib   | 1     |
|   |               | mammal with butchering cut                          | 2     |
|   | tooth         | mammal  | 1     |
|   |               | rodent  | 1     |
|   |               | indeterminate fragment                              | 1     |
| architectural   | slate         | possible roofing fragment                           | 1     |
|   | ferrous nail  | indeterminate fragments                             | 1     |
| tobacco   | kaolin pipe   | stem fragments                                      | 3     |
|   |               | ribbed bowl with indeterminate maker's mark on spur | 1     |
|   |               | molded bowl fragment                                | 2     |
| Total material assemblage from shovel test 3, zone 3, Eden Street Trench  |               |   | 177   |
